

German Surgical Instrument Manufacturer

HAYDEN MEDICAL ^I_N_{C.}

Hayden Medical is a family owned surgical instrument company with over 25 years experience in providing German stainless steel surgical and laparoscopic instruments. We specialize in OB/GYN, Cosmetic & Plastic Surgery, Dermatology and Laparoscopy. We also offer instrumentation for many other specialties. As owners, we have a vested direct interest in our company and our customers. You will absolutely be treated with great personal care from beginning to end by any one of our Hayden Medical family. Our overhead is low which translates to lower prices than our larger competitors allowing your budget dollars to go further. Please give us a try and see for yourself, firsthand, how helpful and cost effective we can be.

Colon & Rectal

Made using the highest quality German Stainless Steel, our selection of surgical instruments for Colon and Rectal procedures includes a wide inventory of Rectal Specula and Anoscopes, Hemorrhoidal Ligators, and the Sacral Tack Driver Set.
